Hi Fergus

Yes, I will send a holding response. I did speak to [REDACTED] in your absence and she said she'd look at it. I'm not sure how far she's got with it though – but I chased her earlier on today.

Thanks

Teresa

I was in the process of getting further advice on this before I went off sick and have now got more information which might be helpful. Could you send her an apology and holding reply and say we will send a further letter in a week or so , please?

Thanks

Fergus
